About Me

Hi, I'm Madhumitha, currently pursuing my 2nd year B.Sc. in Data Science at Sree Raghavendra Arts and Science College, Keezhamoongiladi, Chidambaram.

I have a strong foundation in programming languages such as C, C++, Java, and Python, along with good knowledge of data structures. I've developed projects like a Chat App and a Tic-Tac-Toe game.

In my free time, I enjoy reading books. I love learning new technologies and applying them to solve real-world problems.
